

LEAPS

“Leading Edge Academic Pre School”

Welcome to LEAPS! Give your child the gift of school readiness. Our LEAPS program will prepare your child physically, mentally and socially for Kindergarten. Our program has been endorsed by many Kindergarten teachers in the Oroville area. Your child will learn Zoo Phonics, how to write their name, counting to 30 and many other essential Kindergarten readiness skills. Your child will also take part in our RIR program as part of their daily routine. RIR is “Rolling into Reading.” It was developed by reading specialist, Debra Wilson, and the OGSA owner/director, Marcia Carter. The program has been proven to help children prepare and excel in reading.

**Let your child be LEAPS ahead in Kindergarten at
OGSA.**
