

Information for August 2008

Oroville Gymnastics Sports Academy

Gymnastics, Learning Center, Kids Club

Tuition

August tuition is **due** on August 1st. There will be a \$50 late fee to child care accounts and \$20 late fee for classes not paid by the 5th of the month. Your child will not be allowed to participate in our program if the full tuition is not received by August 5th, including the late fee. A two week notice is needed to terminate any class or day care.

FOOD FOR THOUGHT

“Teachers will say the crucial variable in early childhood education is not class size, but how well prepared a child is cognitively, emotionally and socially when they arrive in the classroom. And teachers will tell you more than a third of this country’s students, when they get to kindergarten, are ill prepared to learn.”

David Lawrence

Early Childhood Initiative Foundation

and Rolling into Reading Programs**

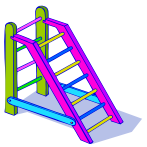

Birthday Parties

Plan your birthday parties with us!

Parties can be held on Saturday or Sunday. Talk to the front desk or pick up a brochure for details!

Kids have a BLAST!

Gymnastics

We want to thank all of the families that wrote letters to the city of Oroville on behalf of our grant program. We appreciate the praise you gave Marcia for her rolling into reading program and the dedication of our coaches for making our gymnastics program a part of your child’s growth in learning. OGSA is hoping to continue this service to the children of our community thanks to your help.

Our Parent -Tot and Brain Dance classes are taking a break for the summer. They will resume again September 5th. See you then! Now that the summer is almost over and things have settled down think about starting your child in a gym class and see the benefits it can provide for your child. See our brochures for times and cost or talk to the front desk.

Toddlers & Teddy Bears

We will be having fun this month with a circus theme. Watch for our art work to have the shape of the rectangle and our color will be black. We will continue to have water fun on Friday so please remember to bring water shoes and swim diapers and a change of clothes for them to play in the water. We will continue our potty training and our graduates will move up to the teddy bear group. We hope to be playing outside this month and the children will need to have sun screen put on at home before they come to school. Thank you!

Learning Center & Explorers

The Learning Center will have fun with the jungle the first two weeks. Be prepared for tales of elephants and tigers and monkeys being shared. This will blend into the last part of the month that will have the theme of circus.

We will have Crazy Hat Day and Crazy Hair Day and a special Circus Day during August.

We will have water play on Fridays now that the air quality is better. Please remember to put on sunscreen and bring a change of clothes for these days.

Pre-K

Pre-K will continue to be part of the Kids Club activities for the month of August. We will finish off July with a water week. We are hoping the air quality will be good enough to make a trip to Palermo pool. The following week will be our American Idol week. Does your child have a special talent they would like to share? August will be centered around the Olympics. Don't forget water play is planned for each Tuesday until school starts. If your child is doing full day kindergarten this fall please let us know if you will be needing transportation from the school to our center. Unfortunately we will not be transporting for Ophir School this coming year.

Kids Club

To finish off the month of July Kids Club will have American Idol Week the 21st-25th. Do you have a special talent you would like to share be it silly or serious? Sign up to share! The last week will be filled with water play fun. We will try to make a trip to Palermo Pool. Watch the front desk. August will be focused on the Olympics. The kids will have their own little Olympics going for the two weeks before school will start up again. Please remember Tuesday and Thursday are the water play days and bring your squirt guns and swim suits.

If you have a change in schedule for the school year please let the front desk know your needs. We are sorry we will no longer bus to and from Ophir School. Let the front desk know as soon as possible what school your kindergartener will be going to so we can organize transportation.
