## Toddlers & Teddy Bears

Our Toddler/ Teddy Bear groups will be working on art in the shape of the clover. We will be using the color green and the #9. It is March and we will learn about St. Patrick's Day and rainbows. Our teachers Julie, Valerie and Ivory also have some great ideas for our dinosaurs theme for the rest of the month. Come and take time to see all our decorations for this fun month!

We will continue to potty train. Please have extra clothes available for "accidents".

## Learning Center

Julie's old tyme photo fund raiser was a huge success! We want to thank all you parents who helped by purchasing the darling 8x10 of your child. We will be going through our wish list to see what we can purchase with the proceeds. THANK YOU!!

March will find us learning about St. Patrick's Day. Our color will be green and our shape will be the clover. The number this month will be 9. Miss Julie has some fun and interesting decorations while the children learn about dinosaurs

## Pre K

We will celebrate Dr. Seuss 's birthday on Monday, March 2nd. Our teachers Miss Estela and Mr. Michael will be serving up a breakfast of green eggs and ham. We will continue our green month by celebrating St. Patrick's Day March 17th. We will have a party. Check the front desk for ways you can help make the party a success.

Our letters this month will be U, V and W. We are practicing very hard for our Spring Gym Show on May 13th from 9:30 – 10:30.

This is an event you don't want to miss!

Remember, if you are purchasing the girl's leo for this performance, March 25th is the ordering deadline. The cost of the leo is \$24. There is no special order for the boys. Boys will wear white T-shirts and black stretch shorts with no buttons or zipper.

## Kids Club

We still have room for your child to join our after school program. We provide transportation from your child's school to our facility with the ability to stay until 6 pm all for the bargain price of \$15.00 for a regular day and \$17.50 for minimum days. During this time we will feed your child a healthy snack as soon as they arrive. We then fill their time with art projects, board games, team sports and inside and outside play. Some children take the time to sit and do homework or find a quiet place to read after a busy day at school. We also have gymnastic, ballet and karate classes at a small additional price. See the front desk to sign up for any of our fun and safe programs.
