

## About Your Facilitators

**Debra Em Wilson, MA** is a sought after presenter known for her humor, wisdom and practical solutions to behavior and learning challenges. Debra is a reading specialist, author, and experienced teacher of all grade levels whose focus is on supporting children, regardless of what label they might have. Debra has a Master's Degree in Education, with a clinical reading option. Her teaching credentials include Biology, Physical Education, Multiple Subjects, English Language Learner, and Reading and Language Arts Specialist.

**Marcia Carter, MA** is the owner of Oroville Gymnastics Learning Center. She teaches early childhood classes. She is the director of a full service childcare center and gymnastics program featuring S'cool Moves, Rolling Into Reading, and Bal-A-Vis-X. She is the co-developer of the Kindergym Rolling Into Reading program designed to build a solid reading foundation for preschool children.

## S'cool Moves Workshops

### Level 1: Minute Moves for Self-Regulation and Brain Integration No prerequisite

This workshop provides an informative overview of S'cool Moves principles and activities. All participants receive S'cool Moves handouts with research, lesson plans, home letters, and activities that may be shared with staff at participant's school. Everyone receives our sought-after Level 1 Focus Moves posters. (69.00 value!) This quick start class gets you up and moving with S'cool Moves. It's easy, effective, and fun.

### Level 2: S'cool Moves Learning Pyramid and Intervention Protocol

Prerequisite - Level 1 required  
Learn level 2 and 3 Focus Moves posters. Determine which level is appropriate for your students based on their developmental needs. Collaborate with each other and determine how best to implement S'cool Moves at your site.

### Level 3: Sensory Clues: The Case of the Struggling Reader No Prerequisite

Coming soon in '08 a class focusing only on reading from our new Sensory Clues DVD and manual.

Workshop Location is Just  
One Hour from Sacramento

Oroville Gymnastics Learning Center  
1875 Feather River Blvd.  
Oroville, CA 95965

## S'cool Moves in Oroville, California

Are you juggling . . .

In minutes a day, dramatically improve behavior, focus, and academics with techniques proven effective with Sensory Processing Disorder, ADHD, Autism Spectrum, Dyslexia, and Typically Developing Children

Collaboration with home, clinic, gymnastics center, and school!

# Brain Research • Best Practices • Reading Theory • Mind-body Science

- ❁ Did you know that 15-40% of students with Dyslexia also have ADHD and sensory issues?
- ❁ Children rarely have one challenge. How can we meet all the needs with time so limited?
